SHIRAZ 2014

TASTING NOTES

Rich and silky, bursting with raspberries, cherries and strawberries, accentuated by notes of nutmeg and cinnamon

REGION

South Eastern Australia

VINTAGE CONDITIONS

A cool, wet and windy spring impacted grapevine flowering and fruit set, reducing yields dramatically across the majority of wine growing regions. This yield reduction allowed for concentrated berries producing strong and rich wine styles.

The resulting wines from the 2014 vintage were rich and varietal with intense, vibrant colours and an appealing, balanced tannin structure
